January, 2016

Happy New Year to you. We wish this year will be the happiest and best for you.

We thank you for your cooperation and donations for Fall Festival of PCJLS.

We are pleased to announce the great success of our festival held on October 25, 2015. We would not be able to have a such successful event without your warm and generous support. We utilized some of your donations for raffle and also we displayed your donations with your company's profiles at the festival as our great sponsor, so everybody noticed who you were. Our students, families and friends came and had a great time on that day. It also gave others who are interested in our school and Japan the opportunity to enjoy the event.

All the revenue of the festival we made will be used as the fund of education for the students who are learning Japanese in PCJLS.

Again, we really appreciate your support and understanding of our activities.

Best Regards,

Mihoko Okagawa

President of Parents Association
