March, 2017

Dear Friends of PCJLS,

School Fund Drive

We would like to thank you for your continued support toward Princeton Community Japanese Language School.

Since the school was founded in 1980, our primary goal has been to provide our students with high quality Japanese language education. Last year we were able to celebrate the 35<sup>th</sup> anniversary and the total number of our students has now reached about 350. Currently, we offer three core programs to our students in order to serve their various backgrounds and needs: “Hoshuko” Course for the children who plan to move back to Japan near future; “Princeton Course” for the children who speak Japanese at home but do not have a plan to move back to Japan; “JASL Course” for the children who want to learn Japanese as a second language. In addition, we offer Japanese courses for adults and high school students.

Our school operation is financially funded primarily by tuition and grants from the Japanese government. But generous donations from supporting companies in this area and individuals are crucial sources of our operational funds. We are in great need for financial support from you to continue in providing high-quality educational programs which meet the needs of our students.

We would greatly appreciate if you could support our school and our students. Please kindly send your donation direct to the school at the address above if you were able to help us.

Thank you in advance for your generous contributions to PCJLS.

Very truly yours,  
Kazuhiko Okamoto  
President
